Randwick NSW 2031

Tel: 02 9399 3335

Fax : 02 9399 9778

For further information please visit our website

avocastreet.com

CONSULTATIONS

We offer both an appointment and walk-in service.

Dr Kien has limited appointments and will see all walk-in patients. Drs Mandy and Angela offer both appointments and walk-ins. Dr Priscilla sees patients by appointment only.

Emergencies will always be seen as a priority.

Please call 02 93993335 to see when your doctor of choice is available.

The roster is also available at avocastreet.com and requests for appointments can be made online.

PLEASE NOTE:

We do not provide certificates or reports for work compensation or any third party claims.

REQUESTS FOR SCRIPTS AND REFERRALS

Patients must attend for scripts and referral letters as this allows appropriate medical checks and accurate information to be given. On special occasions (such as attendance in the past month with recent relevant medical check), a script or referral may be requested without consultation. Fees will apply.

RESULTS & REPORTS

We request that patients attend to discuss results with their treating doctor. This allows direct and accurate communication of medical information and a proper treatment plan to be made.

MEDICAL RECORDS

Your medical record is a confidential document. It is the policy of this practice to maintain security of personal health information at all times and to ensure that this information is only available to authorized members of staff.

This practice uses computer-based medical record filing system. If you need to transfer your health records to another medical practice please inform our reception.

TELEPHONE CALLS & HOME VISITS

Regular patients who have difficulty attending the surgery can call and request a home visit. Fees may apply. During the day, our reception staff will take phone calls and leave a message for the doctor to contact you at a later time. We aim to avoid disturbing individual patient consultations, so only on special occasions are calls put directly through to the doctor.

RECALL SYSTEMS

From time to time, recalls and reminders are sent to our regular patients. If you do not wish to be enrolled in such recall system, please inform us.

AFTER HOURS SERVICES

For after hours services please call our deputising team
